

CLEANING THE AIR IN YOUR WORLD

Why buy Environmental Filter?

Aside from our experience and longstanding reputation for quality, why would you choose to buy from Environmental Filter?

Here are just a few of the many reasons we are your best option for your filter needs.

- ✓ We offer over 2,000 models manufactured on a JIT basis.
- ✓ We offer replacement cartridges for all major brands.
- ✓ We have the most extensive cross reference library in the industry.
- ✓ We offer same day shipment on many items.
- ✓ We have an International reputation for superb quality and innovative, patented designs.

With nearly 50 years of experience, Environmental Filter has become one of the leading manufacturers in the air filtration industry. Specializing in dust collector pleated elements in the round configuration, our manufacturing process produces the finest quality cartridge elements available.
